PROFILE

Computer Science graduate and aspiring Junior .NET Developer with hands-on experience in C#, ASP.NET Web Forms, SQL Server, ADO.NET, LINQ, ASP.NET MVC and Web API. Developed a database-driven e-commerce web application using two-layer architecture, with experience in CRUD operations, authentication, session management and database integration. Currently learning ASP.NET Core. Seeking an entry-level .NET Developer role to apply technical skills and contribute to professional software development.

TECHNICAL SKILLS

- **Programming Languages:** C#, Python, SQL
- **Core Concepts:** OOP, Data Structures & Algorithms.
- **.NET Technologies:** .NET Framework, ASP.NET Web Forms, ADO.NET, LINQ , ASP.NET MVC , Web API.
- **Database:** SQL Server, SQL Queries, Joins, Stored Procedures, CRUD Operations.
- **Frontend (Basic) :** HTML, CSS, Bootstrap, JavaScript, jQuery.
- **Tools:** Visual Studio, SQL Server Management Studio, Git, GitHub.

SOFT SKILLS

- Problem-solving and analytical thinking
- Strong attention to detail and quality-driven
- Effective communicator and collaborative team player
- Strong willingness to learn and adapt
- Organized, calm under pressure and good time management

PROJECTS

2026 **E-Commerce Clothing Web Application**

- Developed a database-driven e-commerce application using C#, ASP.NET Web Forms, SQL Server and ADO.NET.
- Implemented multi-user authentication and session management for separate user and admin functionality.
- Designed and integrated SQL Server database operations for products, categories, users, cart and orders using ADO.NET.
- Implemented shopping cart and order workflows, including quantity, size, subtotal calculation and order status management.
- Applied OOP principles and two-layer architecture to structure the application and separate UI and database operations.

EDUCATION

2021 – 2025 **Bachelor of Technology- Computer Science and Engineering**

APJ Abdul Kalam Technological University, College of Engineering Perumon - Perumon,Kollam

•9.64 CGPA

PROFESSIONAL TRAINING

Present
Trivandrum, Kerala

ASP.NET Full Stack Development Training
Luminar Technolab

Training in: C#, OOP, .NET, ASP.NET Web Forms, SQL Server, ADO.NET, LINQ, ASP.NET MVC, Web API, ASP NET Core, Angular, Git, GitHub, Database Management and Web Application Development.

LEADERSHIP AND VOLUNTEER EXPERIENCE

2023 – 2024

Computer Society of India – Volunteer

- Assisted the core committee in planning and conducting 5+ technical workshops and seminars, driving active student participation.
- Coordinated event logistics and communication, ensuring seamless operations and positive participant experience.
