PROFILE

Computer Science graduate and aspiring Junior .NET Developer with hands-on experience in C#, ASP.NET Web Forms, SQL Server, ADO.NET, LINQ, HTML, CSS, JavaScript, jQuery and Bootstrap. Developed a database-driven e-commerce web application using two-layer architecture, with experience in CRUD operations, authentication, session management and database integration. Currently learning ASP.NET MVC, Web API and ASP.NET Core. Seeking an entry-level .NET Developer role to apply technical skills and contribute to professional software development.

EDUCATION

2021 – 2025

Bachelor of Technology- Computer Science and Engineering
APJ Abdul Kalam Technological University, College of Engineering Perumon - Perumon,Kollam
•9.64 CGPA

PROFESSIONAL TRAINING

Present
Trivandrum, Kerala

ASP.NET Full Stack Development Training
Luminar Technolab

Training in: C#, OOP, .NET, ASP.NET Web Forms, ASP.NET MVC, ASP.NET Core, Web API, SQL Server, ADO.NET, LINQ, Two-Layer Architecture, HTML, CSS, Bootstrap, JavaScript, jQuery, Angular, Git, GitHub, Database Management, CRUD Operations, State Management, Authentication, Authorization, and Web Application Development.

PROJECTS

2026

E-Commerce Clothing Web Application

- Developed a database-driven e-commerce application using C#, ASP.NET Web Forms, SQL Server and ADO.NET.
- Implemented multi-user authentication and session management for separate user and admin functionality.
- Designed and integrated SQL Server database operations for products, categories, users, cart and orders using ADO.NET.
- Implemented shopping cart and order workflows, including quantity, size, subtotal calculation and order status management.
- Applied OOP principles and two-layer architecture to structure the application and separate UI and database operations.

TECHNICAL SKILLS

- **Programming Languages:** C#, Python, SQL
- **Core Concepts:** OOP, Data Structures & Algorithms
- **.NET Technologies:** .NET Framework, ASP.NET Web Forms, ADO.NET, LINQ , ASP.NET MVC
- **Database:** SQL Server, SQL Queries, Joins, Subqueries, Stored Procedures, CRUD Operations
- **Frontend:** HTML, CSS, Bootstrap, JavaScript, jQuery
- **Architecture & Development:** Two-Layer Architecture, Three-Layer Architecture, MVC Architecture, CRUD Operations, Authentication, Authorization, Session Management, Database Connectivity, Debugging
- **Tools:** Visual Studio, SQL Server Management Studio, Git, GitHub

SOFT SKILLS

- Problem-solving and analytical thinking
- Strong attention to detail and quality-driven
- Effective communicator and collaborative team player
- Strong willingness to learn and adapt
- Organized, calm under pressure and good time management

CERTIFICATIONS

2025 — **IELTS (International English Language Testing System)** — Overall Band **8.0**

ORGANISATIONS

2023 – 2024

Computer Society of India – Volunteer

- Assisted the core committee in planning and conducting 5+ technical workshops and seminars, driving active student participation.
- Coordinated event logistics and communication, ensuring seamless operations and positive participant experience.
